WHY CHOOSE A FOOD FILLED ADVENTURE?

An outdoor adventure is the perfect way to bond with your classmates, team-mates and build long lasting relationships within your group.

Why are fruit picking and foraging two amazing ways to spend time with your team? It is all about having a collaborative experience. When you ask a fruit picking community who picks the fruit at harvest time most of the time the answer is the whole community comes together. Friends, relatives, visitors and anyone who can give a hand to ensure the produce is picked on time.

Also, there are different roles and in the art of picking. A leader, supervisors, trainers, pickers, packers and tasters. All of these roles come together for a shared goal. Isn't this what building a successful team is all centered around.

We will organise all of the logistics, cater for your budget and help you to plan the physical and mental challenges for your trip.

BOOKING DEPOSIT AND PAYMENTS

The full tour cost per person often comes to between €1,000 and €1,500 per person including all ground services. If you are organising a fundraising trip often charities opt to request that each person raise around €2,100 to €2,500 so that they get at least €1,000 in funds from each person joining the tour. However, you can of course choose your own fundraising target for the group. You may find that some fundraisers collect more than the target.

Our deposit per person is usually 10% of the cost of the tour. To get the best accommodation prices, it is best to confirm the flights as early as possible. We recommend for European tours that you ask each person to give you a deposit of €450+ to ensure ground deposit and flight total are covered.

If booked early enough in advance you can avail of great flight deals to Europe. Peak months will be higher and we can advise you of the best months to travel and where will best suit your group. If you are the group organiser ask each person for a deposit of around €500 to guarantee their spot on the tour.

To fully confirm your booking we require full payment at least 3 months in advance.
